Let's Have Fun part 1

Let's Have Fun

I sat on the couch. It been three weeks since me and X-Pac made great love. At frist, I feft bad about it but, Chris should had took care of business in the bedroom before I went to someone else. I'm still with Chris because I love him. As I watched T.V., I heard Chris coming down the stairs. I turned around and saw a very wet, sexy Chris Jericho with a lime green towel around him. "What are you doing?" I asked. He looked around the living room. "My ring." he answered. He looked the couch and looked up at me with his silly grin, holding his ring. "Where you going?" I asked. He walked to theend of the stairs. "To Shawn Micheals's party." he repoded. I looked at him weird. "But, he's at Texas. We're in Canada." I said. He grinned. "I'm going to fly over there." he said. He ran upstairs. I sighed. Another boys only party. I really don't give a fuck but, this is too much. I went back to my T.V. show then, turned it off. T.V. start to be boring when there something on the mind. In this case, there was a lot of shit was on my mind. I ran upstairs to see what Chris was doing. I peeked in the small crack in the door. This was too funny. He started to do his Shawn Micheals dance in front of the mirror then, he did a moonwalk across the room while combing his hair. After he was done, he did a backward flip. I had to bite my tongue to keep me from laughing out loud. I ran downstairs before he could see me. A few minutes later, he came downstairs. With the biggest smile on his face. I looked at him. "Have a great time, Chris." I said, waving from the couch. He came over and gave me a kiss on the lips. "I will. Anyway, I know you be feeling lonely staying here by yourself. So, I called Sean and Brian. They going to stay here. I know I can trust you guys." he said with a wink. I smiled. This won't be bad night after all. "That's cool." I agreed. He left. I turned around and stared at the T.V. and listened for the doorbell ring. I couldn't help from smiling like a fool. The night I

had with Sean was one of a kind. X-Pac had the night of his life. Now, his friend will have the same. I couldn't wait to have Road Dogg do me in Doggie Style. Finally, the doorbell rang. I jumped up and ran to the door. I opened it and smiled at the sight of Sean and Brian. "Hi." I said. "Hi." said Sean. "Hello." said Brian. I let them in. I looked at the tapes Brian had under his arm. "What's that?" I asked. He turned around. "Some entertainment." he answered. Sean started to blushed. I started to ask him why he was blushing but, I didn't really what to know. "Okay. Let's watch it." I said. I sat beside Sean while we watched Brian putting in one of the three tapes. He sat next to Sean. I turned off the lamp on the table. Soon, the movie started. It started with two guys sitting at the pool side. After a few minutes of talking, they started to kiss and sucking each other's dicks. "This is good." I said without leting my eyes leaving the T.V. Finally, the movie was over. I turned on the lights. "Who's idea was this?" I asked. No one answered. I turned to my right and saw the two best friends kissing. Sean broke the kiss and looked at me. "Oh sorry, Aries. We couldn't help it." he explained. I laughed. They was so cute together. Brian got up. "You want to join?" he asked. "No, I want to enjoy the fun." I said. I sat on the floor, looking up at them. Sean walked up to Brian. "We have to gave what she want." he whispered. Brian grinned. "True." he agreed. I got up. "Wait! I have to get the video camera." I said, I ran up stairs and came back. "Okay. Go." I ordered as I pressed the record botton.
